* See ltd. warranty for complete coverage and restrictions. The word "lifetime" means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles are installed. For owners/structures (e.g., a church) not meeting above criteria, warranty term is 40 years.

** If transferred after 20 years, it becomes a 2 years term and then expires. (i.e. transfer in year 23, second owner receives coverage for year 24 and 25 then expires)
